

You've got a friend
Carole King

Bb /// | Eb /// | Bb /// | Am7 / D7* / |

When you're down and troubled and you need a helping hand

And nothing, whoa nothing is going right

Close your eyes and think of me and soon I will be there

To brighten up even your darkest nights

You just call out my name, and you know wherever I am

I'll come running... to see you again

Winter, spring, summer, or fall. All you have to do is call

and I'll be there... You've got a friend

If the sky... above you grows dark and full of clouds

And that old north wind begins to blow

Keep your head together and call my name out loud

Soon you'll hear me knocking at your door

You just call out my name, and you know wherever I am

I'll come running, oh running yeah, yeah... to see you again

Winter, spring, summer, or fall. All you have to do is call

and I'll be there, yes I will
