

Cold Cold Heart

by Hank Williams
Arranged by Ruby's Ukes

C
I've tried so hard my dear to show
G7
You're my every dream
Yet you're afraid each thing I do,
C
Is just some evil scheme

C
A mem'ry from your lonesome past
C7 **F**
Keeps us so far apart
G7
Why can't I free your doubtful mind
C
And melt your cold cold heart

C
Another love before my time
G7
Made your... heart sad and blue
And so my heart is paying now
C
For things I didn't do

C
In anger unkind words are said
C7 **F**
That make the teardrops start
G7
Why can't I free your doubtful mind
C
And melt your cold cold heart
C
There was a time when I believed
G7
That you belonged to me
But now I know your heart is shackled
C
To a memory
C
The more I learn to care for you
C7 **F**
The more we drift apart
G7
Why can't I free your doubtful mind
C
And melt your cold cold heart.
